Profile

As someone who is always looking to improve themselves, I've worked in many countries to find my path in life. In retail work, I learned to keep calm in a fast paced environment while keeping attention to detail and quality. I then found a passion for programming in March 2022 and ever since I have been studying in order to break into the web development industry.

Work Experience

Coffeeangel | February 2022 - June 2022 | Ireland

I started as floor assistant in one of Dublin's most prominent specialty coffee shops. In 3 months I learned the craft and was assigned as full time barista. I learned how to keep a work environment clean and tidy as well as the responsibilities of closing and opening a shop.

Gorillas Operations GmbH | March 2021 - October 2021 | Germany

I first started as a delivery rider, within 3 months I was promoted to warehouse operative where I had to work in an international environment.

Hotel Piren | March 2019 - February 2020 | Argentina

Working in a 3 star hotel with 100 rooms I first started as a service assistant. I was often the first contact between guests and personnel. Within a month I was promoted to kitchen help and waiter. During breakfast we served up to 350 guests within 3 hours. I learnt how to keep calm in a very busy environment, while upkeeping order and cleaning standards. After 4 months I was assigned as a Spa supervisor. I was responsible for customer experience, scheduling massage sessions, and maintaining the gym, sauna, and swimming pool.
